## COMMENTS FROM THE TOWN MANAGER'S OFFICE

The calcium chloride came last Friday and since then most of it has been applied. The ground and dirt roads are unseasonably dry but there was some moisture in the ground. The calcium chloride will draw moisture from the air and help hold the dust down. There are about sixty bags left that can be applied in very dry places after a rain.

The highway crew has also done some cold patching prior to tarring. Some streets will need re-sweeping before the tarring for the summer program begins. The exact date for the start of tarring has not been determined yet but it will be sometime early in June.

The brush spraying program for this summer will have to be done before the start of tarring. The Grover Hill Road has been sprayed for brush the last three years and should be all right for the next couple of years. Most of the brush spraying will be done on roads that lead off from Route 25 and the Middle Intervale Road. These areas have not been sprayed for a couple of years and it shows by the amount of growth that has accumulated there lately.

The assessing for this year is very nearly done. The routine work is completed and now the rest must be done. Most of the land transfers have been made and the maps have been changed. The remaining work is without doubt the most difficult of all the assessing work. I am sure that every effort will be made to get the assessing work done so that the tax bills can be mailed earlier this year.

## 20 SECONDS WITH THE NAZARENE

Freedom is crossed in Flanders; a fort the Alamo. A man named Lincoln; a ship, The Arizona, below. It is monuments, and mottoes, and hymns and prayers.

A heritage of blood, this badge freedom wears. Freedom is a savage hatred for walls and shackles and fetters; it is a burning love of family and country and God. Freedom brings out the best in men. Today, it may be free for the taking; tomorrow, its price may be death. Freedom is laughing loud, crying long, winning big, losing all. Meekly, though, it is choice. Like God, freedom must be sought and, like God, it requires a dedication, unswerving, a love, undeniable, a belief unshakable.

—Excerpt from "Freedom is a barefoot boy," by Fred Bauer.

Dear friends,

We will soon observe Memorial Day... a day set aside for the living to honor their dead.

We believe that if a family takes a leisurely drive to the cemetery, cares for the graves of their loved ones and says a prayer, they will realize a satisfaction which will truly enrich their holiday.

Sincerely,

*John H. Hurd*
